

Kingdom Association of Covenant Pastors

Bishop Walter Scott Thomas, Sr., Presiding Prelate

March 14, 2019

Greetings:

Baltimore is preparing to host an exciting spiritual empowerment conference designed to equip church leaders and congregations with the tools to navigate and ignite revival. This exciting and transformational conference is being hosted by the Kingdom Association of Covenant Pastors (KACP). KACP is a national organization designed to equip pastors and churches with the necessary tools to develop and implement relevant and contextual ministry programs. The three-day conference will be held July 16-18, 2019 and will attract 2,000 persons for nightly worship services and nearly 800 persons for daily empowerment sessions.

The entire conference will be held at the Morning Star Baptist Church in Woodlawn, Maryland – a new, modern Campus, which includes worship and event space. We invite you to share your products and services with individuals and churches from across the region. Sponsorship and vendor opportunities are attached. Join us as Baltimore hosts the 2019 KACP Conference.

For more information or questions, please contact:
